### ADVANCED DISPOSAL: Keeping Loganville Clean and Green

Advanced Disposal, along with a local Loganville company, Latham Home Sanitation, are proud to be the City of Loganville’s new garbage companies starting October 1st. During the last three weeks of September, your green cart and bin will be replaced by a new gray cart and bin. Please continue to use the green cart and green recycling bin through September 30.

Check the lid on your garbage carts because your service day may have changed starting October 1.
